

Powell Valves

For the highest levels of safety and quality, AREVA is pleased to bring Powell Valves to the power and oil/gas industries through our Nuclear Parts Center.

AREVA and Powell Valves share the same commitment to operational excellence through the highest quality standards.

AREVA will offer the following Powell Valve products:

- Forged Steel Valves
- Cast and Chrome Steel Valves
- High Performance Butterfly Valves
- Stainless and High Alloy Valves
- Pressure Seal Valves
- Dual Plate Check Valves

Powell Valves

Since 1846, Powell Valves' commitment to customer satisfaction has set it apart from its competition. Powell Valves is a global valve company offering NextGen valve design engineering and manufacturing with offices worldwide. They provide a wide range of products and services to the gas and oil, chemical, power, paper and refining industries with expert knowledge and highly advanced engineered valve systems for critical control and safety applications. All Powell Valves facilities are recognized with ISO 9001 "Worldwide Quality."

Features and Benefits

With Powell Valves, the oil and gas industry can:

- Meet the new API 624 standards and comply with the conditions of an EPA consent decree
- Reduce Leak Detection And Repair (LDAR) monitoring for valves
- Lower costs by reducing product loss
- Powell valves exceed emissions requirements for the refining, chemical and petrochemical industries and when incorporated in the AREVA Valve Enhancement Program provide a five-year leakage warranty

With Powell Valves, the power industry can:

- Reduce leak detection monitoring for valves
- Lower costs by improved system efficiency
- In-Stock Inventory 24/7 – AREVA's Nuclear Parts Center offers 24/7 access to in-stock inventory and technical assistance at us.aveva.com/cisweb

AREVA Nuclear Parts Center

Available products include:

- ASCO™ Solenoid Valves
- ASCO™ Hydramotor® Actuators and Parts
- ASCO™ Pressure/Temperature Switches
- BIRNS Lighting
- Cartridge Filters
- Disposable Media Filters
- Electrical Spares
- EMPATH™ (Motor Diagnostics)
- LATTY Fluid Sealing Products
- Limitorque Actuators, Parts, and Motors
- Meggitt Containment Atmosphere Monitoring Systems (CAMS) Spare Parts
- Nuclear Grade Air Traps™
- NSSS Parts and ASME Code Components
- Pentair (Yarway) Valves
- Powell Valves
- Pressurizer Heaters
- RC Pump, Seal, and Motor Parts
- Resins (Ion Exchange)
- Specialty Cable Assemblies
- Stearns Roger® Fuel Handling Equipment
- UltraCheck® Valve Diagnostics (A, C, L, M, RV, & SPT)
- Valve Enhancement Program
- Valve Packing Monitoring Device
- Velan Valves
